# WAKEFIELD MEMORIAL HIGH SCHOOL Yearbook

# THE ORACLE

# LETTER FROM THE EDITOR

To my fellow classmates and future Wakefield High graduates,

Over the last five months, the Oracle staff and I have worked tirelessly to bring you a yearbook that is different from the yearbooks of the past. Due to the unique struggles we have faced over the past four years, I thought I would start by giving you a few thoughts on my high school experience.

Forging my path during these four years was very challenging. First, like most people, I had to determine who my true friends were and what was important to me. When COVID hit, I now had to figure out how to keep myself sane when I wasn't able to be around the ones I love on a regular basis. When the shutdown occurred, my whole world turned upside down. My biggest safe haven, swimming, was impossible to do since you cannot swim with a mask on. I quickly took to social media as a coping mechanism, but that didn't necessarily make me feel any better. In the end, it only made me feel isolated and alone. The countless hours staring at a phone could not replace time talking with friends and just hanging out. Surprisingly, I really missed being in school and at practice.

Once school was back in session, I relished the opportunity to get more socially involved. I chose to join numerous groups not only to have a better high school experience but to make better connections after a long period of being isolated from society. The clubs I joined allowed me to give back to my community through service hours, wonderful musical concerts, amazing swim performances, creative sports photography, and ultimately culminated in this fantastic yearbook. Time began to fly by, and I found myself truly enjoying every waking minute of my time in high school.

If you were to take one thing away from this letter, I hope it would be to strive to participate more in all the activities offered at Wakefield Memorial High School. Become involved with your school and within your community. Try new things like joining an A Cappella group, try a new sport in order to be part of a team, make goals and stay committed to break records or meet a personal milestone, strive to have the opportunity to be inducted into an honor society, join peer leaders, step out of your comfort zone and promise yourself to not miss out on this amazing experience! You only are in high school for four years and then you will begin a new chapter in your life. I hope when you look back on the four years that you will have lasting memories and numerous experiences to guide you into the rest of your life!

I love you all and I am so proud to be a Wakefield Warrior!
Congratulations, Class of 2022!!
- Kaitlin Patt, Yearbook Editor, WMHS Class of 2022

# LETTER FROM THE PRINCIPAL

Dear Class of 2022,

It is an honor for me to write this letter since I feel a very special connection to this class. You entered WMHS at the same time as I did and I remember meeting you all at Orientation in the fieldhouse, the summer before you were officially freshmen. Since we began that first year together, it has been a pleasure to navigate these four years together, to grow with you, and to watch you excel in the classroom, on the playing fields, and on our stages and concert halls. And now, as you finish your time at WMHS and head out to the next steps in your lives, I am filled with pride and excitement for you.

As a class, you have encountered many changes and challenges while at WMHS- from small changes like rethinking parking lots to larger issues such as a global pandemic, a country struggling with racial injustice, and a community embroiled in a debate over a logo. Throughout these situations, I have seen you grow your voices, advocate for what you believe in, and work through disagreements to make our school and our community a better place for everyone.

I hope that you will take these experiences with you, and the learning that came from them, as you move forward in your life journey. I know you will all experience some amazing things in your future. For every challenge you encounter, I hope you will press on, use the skills and knowledge you have gained here, and forge ahead with the strength and understanding that you can make a difference. The Class of 2022 has demonstrated how resiliency, adaptability, and determination are part of your core. I know you will carry these values with you as you head out into the world and focus on the exciting next steps in your lives.

On behalf of the entire WMHS administration, faculty, and staff, I want you to know how incredibly proud we are of each one of you. We wish you all the best of luck in every one of your endeavors.

Congratulations!

- Ms. Amy McLeod, WMHS Principal

# DEDICATION

The Class of 2022 dedicates the 2021-2022 Wakefield Memorial High School Oracle to Mr. Freeman. Thank you, for your many years of service at WMHS. You left us all with many amazing memories we will cherish forever. Such as supporting all of us at our sports games and offering all students a piece of chocolate whenever you had extra. We dedicate our yearbook to you! Thank you!

Young, a CAA Sports client, also won the Manning Award as the top quarterback in the nation (following 2020 winner and Alabama alum Mac Jones), as well as being named Player of the Year by the Associated Press and The Sporting News. The sophomore also collected the Maxwell Award as college football's top player.
